The Goal of the Century

For those of you who appreciate the pure poetry of "futbol", this morning's game between Argentina vs. Serbia was an incredible display of the best team soccer the World Cup has seen in many a year. For the aficionados, the second goal by Argentina which was preceded by 26 touches of deft and stylistic passes will soon go into history as the best goal ever during a World Cup. I'm sure there will soon be a video of it on the Net and I will link to it for all of you. Anyway, the final score was a 6 to 0. Let's hope for the best. For an excellent analysis of today's victory here is a link to [La Nacion](#). For those of us who know and appreciate our Argentinian brethren, I am so happy for you after a series of down and out World Cups.
